In the Office Action dated, December 11, 2008, the Examiner indicated that the Information Disclosure Statement (IDS) submitted on September 12, 2008 was considered and initialed by the Examiner. The IDS filed on September 12, 2008 contained a Table listing an Office Action issued in a corresponding Israeli Patent Application. This table was not initialed by the Examiner. This IDS included the application number of the application in which the IDS was being submitted, a column that provides a blank space next to each citation for the Examiner's initials, a heading on the listing that clearly indicates the list is an Information Disclosure Statement, and copies of listed documents. Therefore, the September 12, 2008 IDS is in compliance with 37 CFR §§ 1.97, 1.98 and MPEP § 609 and Applicant

respectfully requests that Examiner consider and initial all information listed in the tables submitted in the IDS filed September 12, 2008.

Applicant also makes known to the Examiner the following pending U.S. and International Applications having one or more common inventors and/or common ownership:

In accordance with 37 C.F.R. §1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(b) exists.
